Dear Parents/Guardians,

De Nobili School, Mugma is a co-educational English Medium day school managed by the Jesuits of Jamshedpur province assisted by a team of dedicated teachers and staff. While preparing the students for the Indian Certificate of Secondary Education Examination (10th) and the Indian School Certificate Examination (12th), we aim for the full development of our students. **The active participation and cooperation of the parents in this effort is essential for success.**

ICSE	The Indian Certificate of Secondary Education is a course designed to provide a general education in accordance with the recommendations of the Kothari Commission through the medium of English. There is no diversification during the general education course. The final ICSE examination presupposes a school course of ten years duration (1-X).				
ISC	The Indian School Certificate course builds on the general education to provide specialization in Science and Commerce. We at DNS Mugma have courses in Science and Commerce only. The ICSE and ISC examinations are conducted by the Council for the Indian School Certificate Examination which is recognized by an act of Parliament as one of the All India Examining Bodies.
